ABOUT CNC ELECTRIC

Deliver Power For Better Life

CNC Electric was founded in 1988 specialized in Low-voltage electrical and Power Transmission and Distribution industries. We provide our customer with profitable growth by offering integrated comprehensive electrical solution.

CNC Electric key value is innovation and quality to ensure clients with safe, reliable products. We set up advanced assembly line, test center, R&D Center and quality control center. We have got the certificates of ISO9001, ISO14001, OHSAS18001 & CCC SEMKO etc. CE, CB, As a leading manufacturer of electrical products in China, our business covers over 100 countries and areas.
